## WELCOME BACK & HAPPY NEW YEAR

Remember, "Attendance Matters" at e-Institute. Students MUST maintain a 90% attendance rate in order to receive credit for classes taken. I hope all are rested and are ready to hit the ground running. We are at the half way point and a New Year is your opportunity to make a fresh start. If your attendance was shaky last year, just do better this year. If you didn't really put forth your best effort in ALL classes, this year I want you to be like Nike and "Just Do It." I would love to see more students receive awards for their accomplishments. Students are awarded certificates in the following areas: A Honor Roll (Gold), A/B Honor Roll (Silver), B Honor Roll (Bronze), Highest Achiever (Biology, Math & Reading) Attendance, Citizenship, Prductivity, Most Classes Completed, and Most Improved. Don't lose sight of your purpose for attending e-Institute. Be it credit recovery or you plan to stay for the long haul, the ultimate goal is graduation. Currently we have 10 graduates for this 2011-12 school year, one of whom is a junior. Will you be next?

# ATTENDANCE MATTERS

## FLEX & SATURDAY SCHOOL

Students making flex must arrive on time or they may not enter the lab/classroom. This is a disruption. Student will be required to remain in the front office until the subsequent period. Additionally student will not be given credit for the time they are in school, but not working.

As our numbers have increased we are no longer able to guarantee students may flex out of session due to limited space availability. For the remainder of Block II your student may be required to attend Saturday school in order to flex the time missed. Saturday school (should their be a need) will be held between the hours of 8AM-12PM. If your student is required to attend Saturday school you will be notified via Alert Now the Friday prior.
